## The MSBL WS Father & Son Division Appeals To Players Of All Ages

35+ Cactus Division Semi-finals and Championship Today / 80+ Games Conclude

By Tom Prendergast

In our 38th year in Arizona, one thing remains perfectly clear. Baseball is still very popular. Baby Boomers, members of the greatest generation, millennials and generation X'ers, have been coming to the MSBL WS in droves. Our 80+ division teams are a pretty good example of that, especially when most of them have been attending for the last 30 years. The Lehman family are typical when it comes to the sport. Dad, Mark started coaching his sons as soon as they were old enough to play. Win or lose, they have passed on their passion to the game to their sons. Now that they are all old enough to play it was only natural for them to get onto a Father & Son team. They are not alone. Our players truly enjoy the opportunity to play on a team with them, in a competitive and fun atmosphere here in the Valley of the Sun.
