All Hands On Deck For Today's Win Or Go Home Playoff Games

Sore Muscles, Bruised Bodies and Tired Arms Don't Matter At This Point

By Tom Prendergast

Uniforms that haven't been washed and smelling like Bengay are the norm at this point in the week. Most guys have a limp or a pulled muscle or two show up early to take extra swings in the batting cage. Players that can hardly get out of bed in the morning are running sprints in the outfield before the game. You'd never know that 24 hours earlier these same guys were the walking wounded. Playoff baseball brings out the best in players of all ages. It's exciting and certainly gets the adrenaline going. Guys can't wait to get to the park and shake off those butterfly's. The atmosphere is electric and this is a moment the players have looked forward to all week long. As soon as the game begins, the players attitude turns serious and it's a win at all costs type of environment. There's no pitching limits that will be imposed on today's starters. Every player on the roster is available for whatever his managers need him to do today.

**Join Hal Young in February for a Goodwill
Youth Baseball Experience in Nicaragua
By Hal Young, Sacramento MSBL and
Worldwide Child Relief Foundation**

Hello Fellow Ballplayers!

We have a great opportunity to make a good-
will humanitarian baseball tour to Nicaragua in
February 2026. The trip will be approximately
10 days. As many of you know, unlike the rest
of Central America, baseball is the national
pastime in Nicaragua. We are hoping to bring
twelve ballplayers. Spouses and significant
others are welcome.

Our objectives are to do the following:

- Hold baseball clinics for the youth & coaches
- Provide used baseball equipment to kids
- Play a few exhibition games
- Create goodwill between the two countries
- Share our love of the game
- Enjoy beautiful points of interest in Nicaragua

Our group will be representing the MSBL and
the Worldwide Child Relief Foundation
(WCRF). The WCRF was founded in 2005 by
Hal and Denise Young. Over the last 20 years,
our focus has been on helping the children in
impoverished areas of Nicaragua.

If you're interested in joining us, please contact
me at (530) 903-5153 for more information
